## SIDEWALK \$\$

### ASSISTANCE PROGRAM

The City Council of Lowden has approved a **Sidewalk Replacement Reimbursement Program for 2019/2020 totaling \$15,000 in available funds.** The goal of the program is to assist homeowners and businesses to offset costs and provide safe sidewalks within our community. Rebates up to a maximum of \$800 per home/ business are possible towards total frontage replacement. The City of Lowden will reimburse for concrete costs only. Complete program details and application package can be picked up from City Hall beginning August 1, 2019. Please note: The program will be administered on a first come first serve basis and Lowden City Council decision will be final. Installation of any new sidewalk must begin after August 6, 2019 to be eligible.
