All materials shall be resistant to decay and maintained in a good state of repair. **Single faced fencing shall have the unfinished side with exposed posts facing inwards towards the property.** Confirmation of property lines, buried utilities, easements, restrictive covenants are strictly the responsibility of the owner and or contractor.

The City of Lowden’s Public Works Department will visit the property/job site prior to council review, during construction and final inspection/completion.

Applicant/Contractor initial here: _____

INSTRUCTIONS:

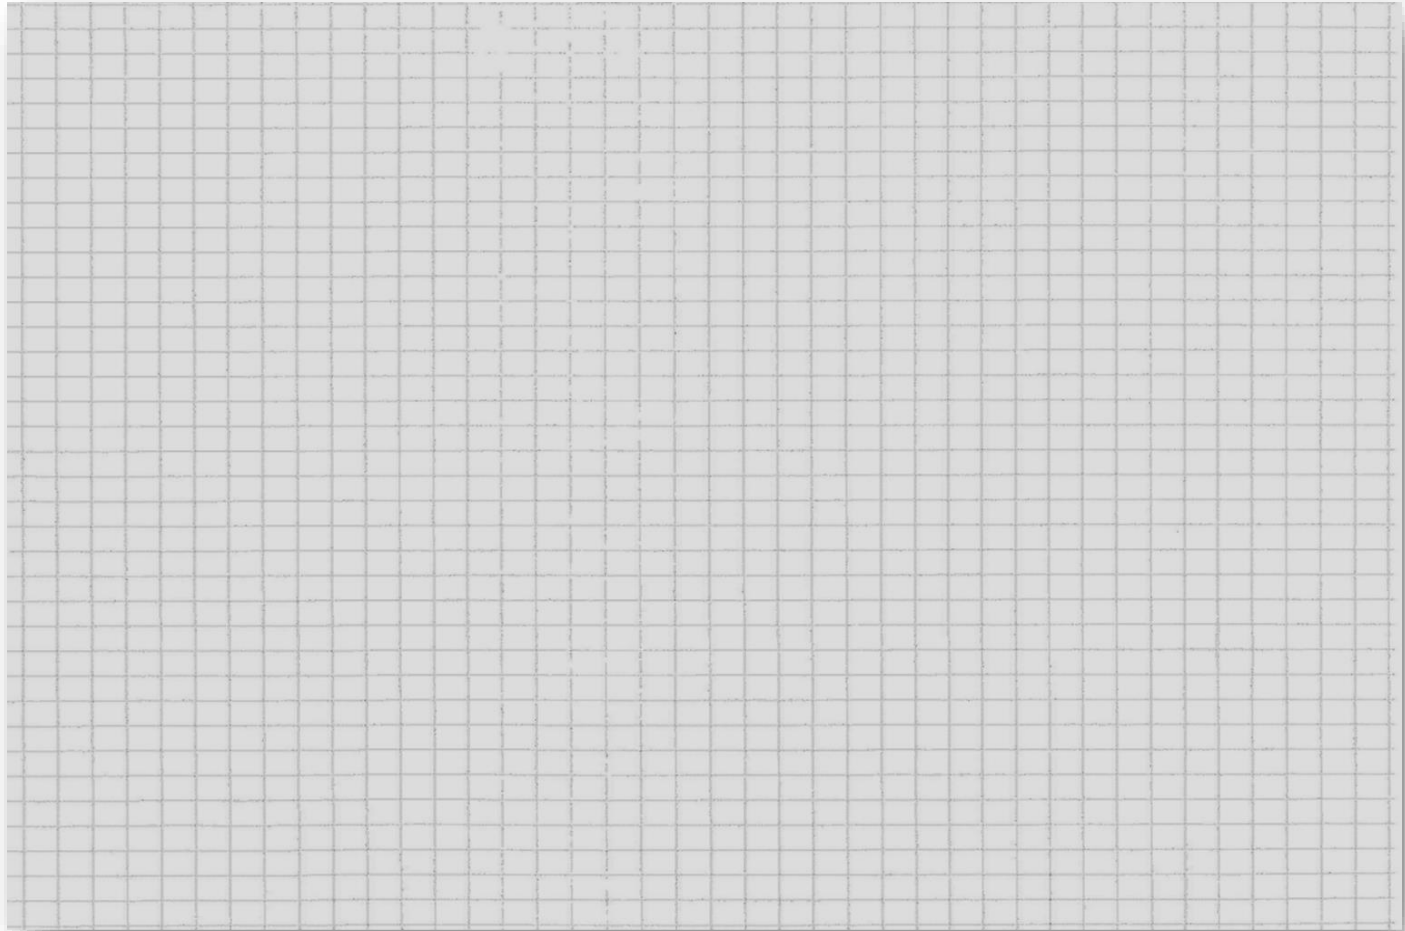

- 1. Draw all property lines with lot measurements.**
- 2. Include a sketch of the existing house/building with dimensions. You must include distance from other structures/buildings.**
- 3. Include setbacks from all property lines - Front, Rear and Side. Fences are required to be a minimum of 24 inches away from all property lines. Other restrictions may apply per City Ordinance.**
- 4. An official Property Lot Survey is required to be submitted with your application. No other document can be substituted. Pins on the property do not necessarily mean the property lines are correct.**
- 5. The City of Lowden does not allow work to start on a property until all appropriate approval’s have been granted from Lowden City Council. Failure to comply can result in fines and denial of a permit.**
- 6. This application will expire 90 days from the date that the permit is approved by Lowden City Council. A new permit, fee and approval will be required after 90 days.**
